Summary Report – September 5, 2018 Recommendations NMSU Campus Planning Committee

Present: members + F&S resource staff (list at end of report)

Report by Heather Zack Watenpaugh Chair, Campus Planning Committee

1. Campus Planning Committee Charge:

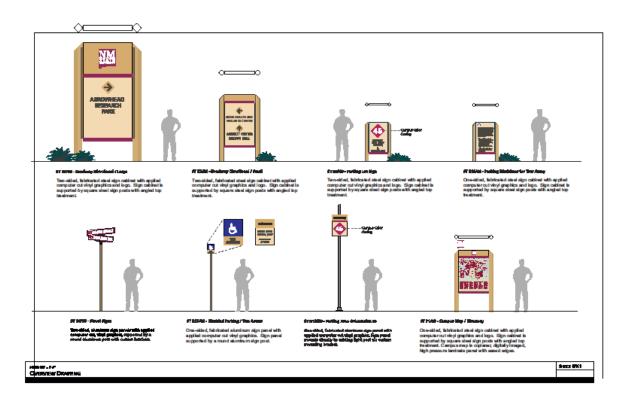

- Established by the President as an advisory group
- Review impact of visual, physical appearance of the campus
- NMSU's heritage preservation (historic preservation) committee
- Wayfinding/Signage policy
- CPC review projects within the triangle of I25/I10 and University Avenue, including ADI and Arrowhead
- Recommendations to the President for final approval

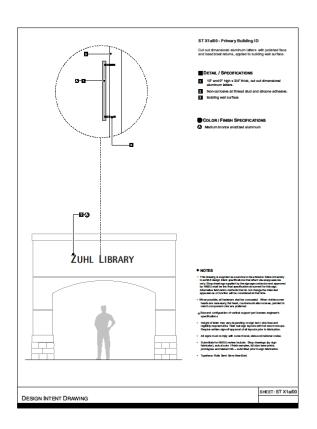

2. Information Item: Campus Master Plan 2017-2027 Update

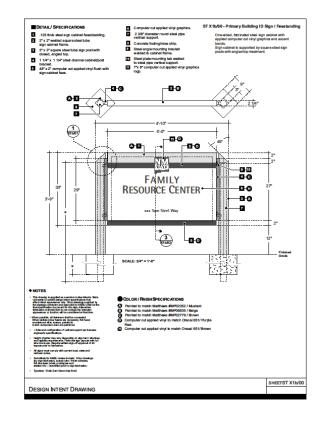

- Presented final text to the Board of Regents, 5/11/2018
- The completed and finalized document is on-line, http://architect.nmsu.edu/masterplan/
- Differences 2006 to 2017 Master Plan:
 - Strategic renovations and/or new construction followed by demolition of the old facility
 - This approach is being used at Dan W. Williams Hall and with the agricultural facilities, and has the added impact of reducing deferred maintenance
 - The 2006 Plan envisioned relocation of agricultural facilities; the 2017 Plan takes advantage of their historical significance
 - Place-making and amenities with areas such as McFie Circle will be a focus
 - The 2017 Plan includes Arrowhead Park and Aggie Uptown updated development plans

3. Campus Wayfinding and Signage Policy updates

- Updates to the Campus Wayfinding and Signage Policy to include:
 - Current freestanding identification signs
 - Signage dimensions, details and specifications
 - Room signage color options
- Review and approval at next CPC meeting

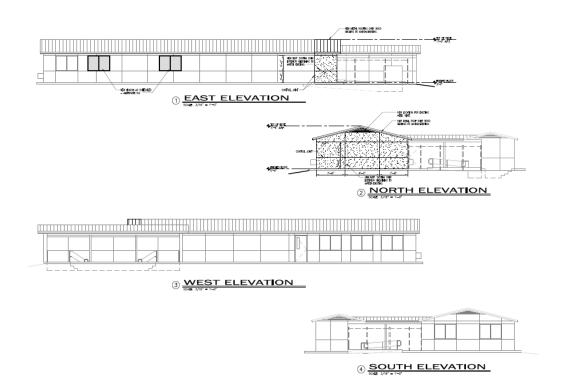

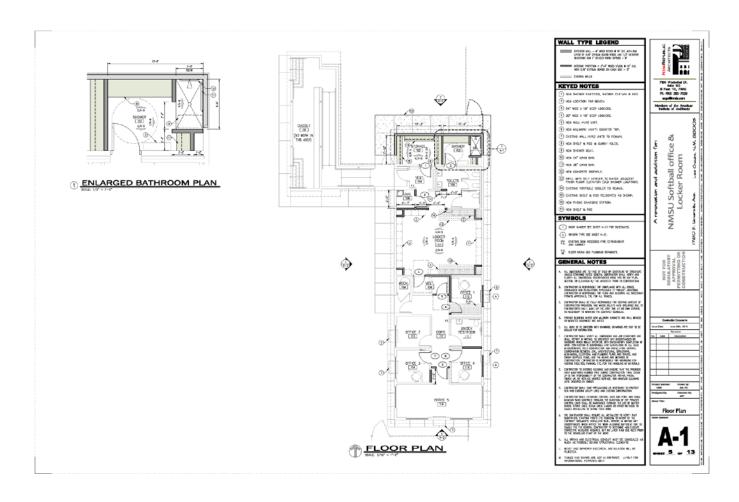

4. Action Item: Softball Locker Room Renovation (Addition)

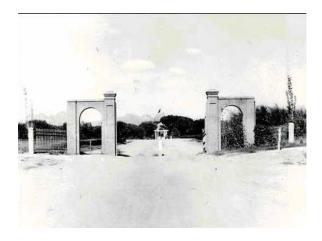

- Renovate and expand the existing Softball Office and Locker Room facility.
- The locker room space will increase by 100 SF and the new construction on the north side of the building is approximately 120 SF.
- The renovation will enlarge the locker room; improve privacy of the locker area, toilets and showers; and all for closed-off separate storage
- Create 5 offices
- Provide 1 All-Gender Restroom
- Enlarge Locker Room area
- Provide storage
- Allow for greater privacy at toilets and shower areas
- New windows (2) at existing building/new offices
- Extend existing roof line
- · Match existing EIF system

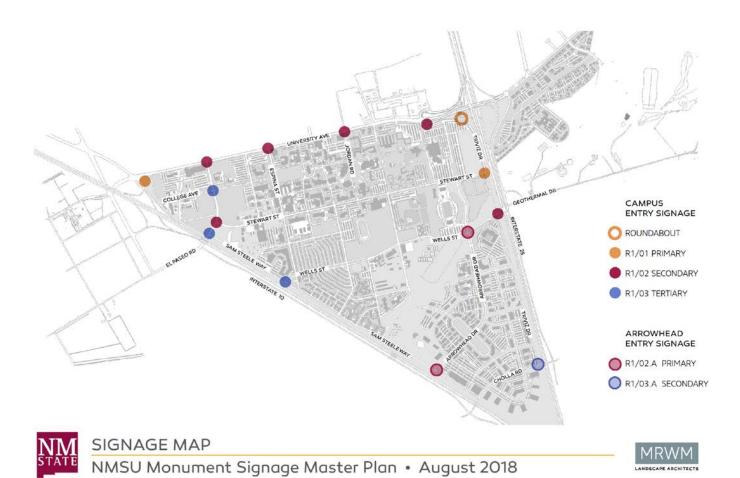

Recommended approval, for addition to Softball Locker Room as shown. (All in favor)

5. Monumental Signage Concept

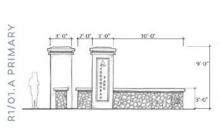

- Precedent study began with original entry gates to The Horseshoe, shown circa 1914-1930s. Construction and removal date, unknown.
- Miller gates were the entry to the university's athletic field, called Miller Field, now Skeen Hall

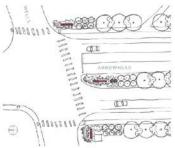

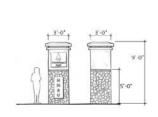

ARROWHEAD AND WELLS

R1/02.A SECONDARY

CONCEPT ONE | Aggie Gates

NMSU Monument Signage Master Plan • August 2018

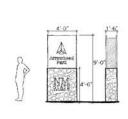

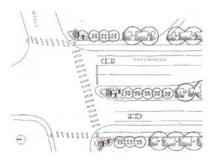

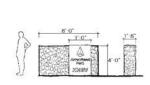

ARROWHEAD AND WELLS

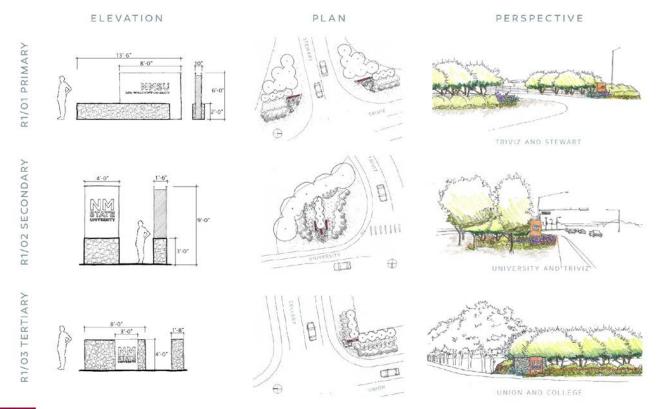

TRIVIZ AND CHOLLA

CONCEPT TWO | Aggie Modern

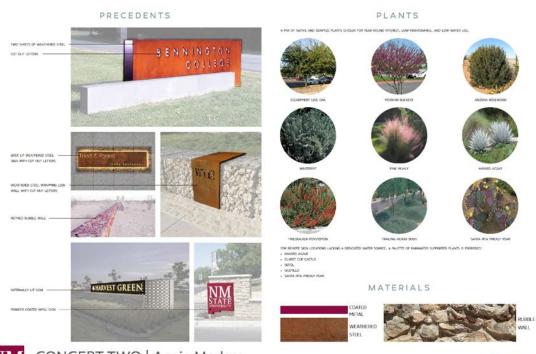

NMSU Monument Signage Master Plan • August 2018

Recommended approval, to combine Monumental Signage Concept 1 (Aggie Gates) and 2 (Aggie Modern)- Proposed Primary, Secondary and Tertiary signs together into one signage grouping or add the gates to several (1 or 2) key locations and move forward with Concept 2, Aggie Modern. (All in favor)

Follow up images from MRWM regarding the signage and options in combining, as recommended by the CPC.

6. Zuhl Collection Installations at Breland, Gardiner and Domenici Halls

- Geological Sciences Departments has proposed installations from the Zuhl Collection at various buildings around campus.
- Initial facilities to include Breland Hall (Arts and Sciences Administration building), Gardiner Hall (Geological Sciences), and Domenici Hall (College of Business).
- Zuhl Museum and Zuhl Library do not have additional storage areas to house the entire geological collection of petrified wood.
- Proposed collection pieces 3'x2' in size
- Largest piece is 8'x5.5' in size
- Additional wall reinforcement may be required
- · Wall preparation and installation costs by donor
- Smaller pieces to be grouped together for displays
- Building user group/building monitor to be notified prior to installation

Recommended approval, for installation of Zuhl Collection at Breland, Gardiner, and Domenici Halls. Installation must be grouped, and deans and building monitors notified of locations. (All in favor)

7. List of Members in Attendance:
